MARBLE, MARBLE ON THE WALL

KalingaStone has launched its latest marble product for walls 'Terra' under its existing Petra series. Manufactured by Classic Marble Company (CMC), the product is aimed at aspirational décor for residential and commercial spaces, and has been developed especially to quench the present limitations in wall cladding applications. The marble has an earthy appearance, but is smooth in texture and seamless in installation. It is available in dimensions of 304 x 125 cm and thicknesses of 12 mm, 16 mm and 18 mm.
